

Cambrian College

School of Business and Information Technology, Creative Arts, Design, Music and Hospitality

Course Outline

Cambrian College would like to acknowledge that we are situated on the traditional lands of the Robinson Huron Treaty, and acknowledge our host, Atikameksheng Anishnawbek, as well as our ancestors of this land, and the Anishnaabe people.

Course Title	Data Collection and Ethics				
Course Code:	ANA1003	Credit Value:	3	Credit Hours:	42
Programs:	BAPG Business Analytics				
Equivalencies		Prerequisites		Corequisites	

This course may be delivered in a variety of different formats: 100% in-class, 100% online (or a blend of both), videoconferencing, distributed learning or off-campus. Please confirm with your faculty member which format will be used for your section of this course.

General Education Course: ☐

Degree Breadth Course: ☐

Eligible for PLAR: ☒

COURSE DESCRIPTION

In this course, students will learn how to collect various types of data for analysis. Students will learn about the ethical challenges around data collection and best practices for responsible data use. Students will learn both theory and practical applications for research and data collection, using a wide variety of sources and involving many different approaches. This includes both quantitative and qualitative research methods, learning how to formulate research questions, choosing the appropriate tools, and how to recruit participants.

Date: September 07, 2021

Prepared By: Sidney Shapiro

Approved by: 

JILL FERGUSON
Chair, School Of Business And Information Technology,
Creative Arts, Design, Music And Hospitality

Effective: Fall 2021, Winter 2022, Spring 2022

RELATIONSHIP TO PROGRAM VOCATIONAL LEARNING OUTCOMES

PROGRAM LEVEL	
This course contributes to your program by allowing you to demonstrate the following vocational learning outcomes:	
Program(s)	Vocational Learning Outcomes
Business Analytics	College Standards 1. Collect, manipulate and mine data sets to meet organizational need. 2. Apply data analytics, business intelligence tools and research to support evidence-based decision making. 3. Identify and assess data analytics business strategies and workflows to respond to new opportunities or provide project solutions. 4. Implement data solutions in compliance with corporate policies, ethical standards, and industry regulations.

COURSE CURRICULUM

Topics/Concepts Covered in This Course

- Research methods, theories, and designs
- Writing research questions
- Qualitative, quantitative and mixed methods analysis
- Research evaluation
- Research ethics
- Survey, observation, and administrative research
- Conducting surveys, interviews, and focus groups
- Research sample size and statistics
- Data analysis
- Writing summary reports

COURSE LEVEL: Learning Outcomes and Objectives	
To earn credit for this course, you must reliably demonstrate your ability to:	
Learning Outcome	Objectives
1. Compare research theories, designs and methods	1.1 Describe various research theories 1.2 Discuss application of research design 1.3 Identify appropriate research methods 1.4 Compare various approaches to the design of a research question
2. Formulate research questions	2.1 Analyze various research questions in relation to theory, design and method 2.2 Identify key elements of the research question

Learning Outcome	Objectives
	2.3 Discuss the connection between the research question, theory, and methods
3. Compare qualitative, quantitative and mixed methods data analysis	3.1 Discuss the use of surveys, interviews and focus groups 3.2 Compare qualitative and quantitative research methods for a research question 3.3 Discuss various methods for conducting research
4. Describe the considerations required to conduct research ethically	4.1 Identify risk factors in research 4.2 Discuss at risk populations and special ethical considerations 4.3 Summarize key concepts from the TCPS2 research ethics framework 4.4 Complete the TCPS2 CORE certificate 4.5 Conduct a simulated research project
5. Collect data	5.1 Design and use surveys to collect quantitative data 5.2 Develop interview guides for qualitative research 5.3 Discuss the use of surveys and focus groups in qualitative research 5.4 Collect data in an appropriate method for analysis
6. Analyze data	6.1 Identify various methods for data collection and storage 6.2 Summarize qualitative and quantitative data using various methods 6.3 Discuss various analytic methods
7. Write research reports and summaries	7.1 Develop a research proposal 7.2 Prepare an ethics review form

Essential Employability Skills

Communication

- communicate clearly in written, spoken, and visual form that fulfills purpose/needs of audience.
- respond to written, spoken, or visual messages in a manner that ensures effective communication.

Numeracy

- not applicable

Critical Thinking and Problem Solving

- apply a systematic approach to solve problems.
- use a variety of thinking skills to anticipate and solve problems.

Information Management

- locate, select, organize, and document information using appropriate technology and info systems.
- analyze, evaluate, and apply relevant information from a variety of sources.

Interpersonal

- show respect for the diverse opinions, values, belief systems, and contributions of others.
- interact with others in groups in ways that contribute to effective working relationships.

Personal

- manage the use of time and other resources to complete projects.
- take responsibility for one's own actions, decisions, and consequences.

Delivery Method

- Classroom: Course is delivered through scheduled synchronous teaching that may be face-to-face and/or virtual.
- Online: Course is fully delivered through asynchronous teaching.
- Hybrid: Course combines scheduled synchronous and unscheduled asynchronous teaching.
- HyFlex: Course includes both synchronous and asynchronous learning and the student can move between both components seamlessly.

Learning Activities

- Lectures
- Class Discussions
- Group Work
- Research
- Self-Directed Learning
- Presentations
- In-Class Exercises
- Case Studies
- eLearning Components

Resources Required**Books**

Bryman, Alan, Bell, Edward, *Social Research Methods*, 4th edition, Oxford press
ISBN: 9780199009787

Evaluation Plan**Grading Scheme**

A	80% - 100%
B	70% - 79%
C	60% - 69%
D	50% - 59%
F	0% - 49%

Evaluation Method	Value (%)
Assignments	30%
TCPS2 Core certificate completion Interview assignment	
Applied Activities (G)	40%
Please see your instructor for details as the assignments may be in the form of research proposal, ethics proposal documents, developing quantitative research questions, survey questions and mini survey project,	

This is an important document and should be saved for future reference. It may be needed for certification, credit transfer and employment purposes.
Published: September 07, 2021

Evaluation Method	Value (%)
qualitative research questions, sample and analysis approach, and a final research project, or another form not listed.	
Quizzes	26%
There are a number of quizzes in the course covering the weekly readings. Please see your instructor for more detail.	
Test/Exam	4%
Observation exercise and report	

ADDITIONAL INFORMATION

College

Modifications to the Course Evaluation Plan

Under exceptional circumstances, Cambrian reserves the right to alter the Course Evaluation Plan. Upon approval from the Dean, faculty members will notify students of any modification to the Course Evaluation Plan and post to the course Learning Management System site (Moodle).

Academic Policies

Students must adhere to all academic policies. These are available on myCambrian as well as the College website at <https://cambriancollege.ca/about/official-documents-and-policies/academic-policies/>.

Accessibility Services

Cambrian is committed to creating an inclusive learning environment where we support our students' success. Students who are registered with the Glen Crombie Centre can access accessibility and/or counselling services by:

1. Registering and scheduling an appointment through Clockwork in the Student Portal in myCambrian.
2. Contacting 705-566-8101 ext. 7420 or 7311, or
3. E-mailing accessibilityservices@cambriancollege.ca or Counselling@cambriancollege.ca

Attendance

Regular attendance is strongly encouraged as it contributes to student success. Some courses have specific lab/participation requirements. Students are expected to be aware of, and adhere, to these requirements.

Audio/Visual Capture

Sounds and images from this class, and contributions made by a participant, virtually or in-person, are recorded under the authority of the Ontario Colleges of Applied Arts and Technology Act, 2002. The main purpose for these recordings is to allow students enrolled in this course, whether they attend the particular class in person, virtually, or at all, to review class content and activity. The use of class recordings is for personal use only and shall not be shared or transferred.

These recordings may also be reviewed by faculty members to prepare future classes, to evaluate students, to collaborate in program/course development/review, or to provide feedback to students or other faculty. Any questions about this collection may be addressed to your respective Dean.

Copyright

Students may not submit work or partake in activities that infringe on the Canadian Copyright Act, or the related Cambrian College Fair Dealing Guidelines and Copying Guidelines. The guidelines may be viewed at: <http://cambriancollege.libguides.com/copyrightinfo> or by contacting the Library for questions related to copyright: library@cambriancollege.ca

Wabnode Centre for Indigenous Services

Students are encouraged to come to Wabnode to meet our Elders and to access personal counselling and connect with academic tutoring. Our team is also able to provide students with information related to funding and scholarship and bursary opportunities for Indigenous students. We encourage students to come to Wabnode and find out about opportunities to share in cultural, sports and community activities. Students can also contact Wabnode at wabnode@cambriancollege.ca

Out-of-Class Assistance

The faculty will inform students of their Out-of-Class availability through the Learning Management System site (Moodle).

Prior Learning Assessment and Recognition (PLAR)

Students wishing to have work or life experience considered through Prior Learning Assessment and Recognition should contact pathways@cambriancollege.ca

Testing Practices at Cambrian

Many courses include major tests and/or final exams. The practice at Cambrian requires that these types of test situations involve proctoring to ensure academic integrity. Online tests/exams may employ a proctoring service to enable you to take your exam from a location of your choosing within a period specified by your instructor. When you are taking an online test/exam, the proctoring service may capture your video, screen, audio and web surfing particulars to protect academic integrity. Cambrian College collects, uses, discloses and retains personal information in compliance with the Freedom of Information and Protection of Privacy Act (FIPPA). Your personal information is being collected under the authority of the Ontario Colleges of Applied Arts and Technology Act S.O. 2002, c.8, Sched. F. This information will be used for the purpose of administering a test/exam through an online proctoring service acting as an authorized agent of the College. Please refer to Cambrian's Confidentiality of Student Records Policy for more details. If you have any questions regarding the collection of your personal information, please contact Vice President Academic, Cambrian College, 1400 Barrydowne Rd., Sudbury ON P3A 3V8, 1-705-566-8101.

Tests and Evaluations

Students are required to write tests and/or complete evaluations as scheduled. Exceptions may be made in the event of an emergency or a sanctioned event (e.g., varsity sports, field trip, religious observances, etc.). In non-emergency situations, students are expected to contact the faculty member in the event that they can not be present for a test/evaluation to explain the reason for their absence. At the discretion of the faculty member, an alternate time for the test/evaluation may be allowed.

Transfer Credit

Students wishing to have courses from other programs or institutions assessed for equivalency and/or transfer credit should contact transfercredits@cambriancollege.ca.

Equity, Diversity and Inclusivity

Cambrian is committed to building and preserving an equitable, diverse, and inclusive learning community where students, faculty, and staff may achieve their full potential in an environment characterized by equality of respect and opportunity. All students and employees have the right to live and work in an environment that is free from discrimination and harassment. Therefore, Cambrian College will not tolerate any form of discrimination or harassment in its employment, education, accommodation, or business dealings. For more information, please visit: <https://cambriancollege.ca/about/official-documents-and-policies/equity-human-rights-and-accessibility/>
