

Cambrian College

School of Business and Information Technology, Creative Arts, Design, Music and Hospitality

Course Outline

Cambrian College would like to acknowledge that we are situated on the traditional lands of the Robinson Huron Treaty, and acknowledge our host, Atikameksheng Anishnawbek, as well as our ancestors of this land, and the Anishnaabe people.

Course Title	Marketing Simulation				
Course Code:	MKT1006	Credit Value:	4	Credit Hours:	56
Programs:	BAPG Business Analytics				
Equivalencies		Prerequisites		Corequisites	

This course may be delivered in a variety of different formats: 100% in-class, 100% online (or a blend of both), videoconferencing, distributed learning or off-campus. Please confirm with your faculty member which format will be used for your section of this course.

General Education Course: ☐

Degree Breadth Course: ☐

Eligible for PLAR: ☒

COURSE DESCRIPTION

In this course, students will participate in the systematic gathering, recording, analyzing and interpretation of data. Once collected and analyzed using various methods and techniques, students will examine and utilize the information to deploy an integrated communication plan. The application of the concepts will be applied to an interactive business simulation as well as in-class activities that challenge and evaluate the interdependence of these concepts and, how they fit together to run a successful business. The learner will be able to articulate the importance of business analytics and research techniques to guiding business professionals in making better decisions.

Date: September 07, 2021

Prepared By: Sidney Shapiro

Approved by: 

JILL FERGUSON
Chair, School Of Business And Information Technology,
Creative Arts, Design, Music And Hospitality

Effective: Fall 2021, Winter 2022, Spring 2022

RELATIONSHIP TO PROGRAM VOCATIONAL LEARNING OUTCOMES

PROGRAM LEVEL	
This course contributes to your program by allowing you to demonstrate the following vocational learning outcomes:	
Program(s)	Vocational Learning Outcomes
Business Analytics	College Standards 1. Collect, manipulate and mine data sets to meet organizational need. 2. Design and apply data models that meet the needs of a specific operational/ business process. 3. Design and present data visualizations to communicate information to business stakeholders. 4. Identify and assess data analytics business strategies and workflows to respond to new opportunities or provide project solutions.

COURSE CURRICULUM

Topics/Concepts Covered in This Course

- Strategic Planning
- Market Research
- Process for managerial decision-making.
- Revenue-cost-profit relationships
- Integrated marketing strategies
- Communications plans
- Strategic human resource management
- How functional pieces of a business fit together
- Customer Driven Marketing Strategies
- Marketing Mix

COURSE LEVEL: Learning Outcomes and Objectives	
To earn credit for this course, you must reliably demonstrate your ability to:	
Learning Outcome	Objectives
1. Develop a strategic intent and align operating decisions for a business	1.1 Develop a comprehensive strategic plan. 1.2 Establish a plan to co-manage a business 1.3 Determine how best to establish operating activity to compete in a market 1.4 Assess changes to an industry and competitive conditions 1.5 Diagnose and react to the strategies of competitors 1.6 Pursue ways to secure a competitive advantage and evaluate different courses of action

Learning Outcome	Objectives
	1.7 Chart a strategic course and adjust strategic plans in response to changing conditions 1.8 Develop contingency plans including diversification strategies
2. Investigate the business research process for managerial decision-making	2.1 Discuss the research process and explain the various steps including the major components of a research proposal 2.2 Select what type of research design is appropriate depending on the environments and circumstances 2.3 Demonstrate how business analytics and business research drive the marketing and business planning process 2.4 Describe the scope and focus of the business research industry 2.5 Describe the major environmental factors influencing marketing research 2.6 Discuss the nature and role of secondary data including sources of internal and external secondary data 2.7 Identify the major differences between qualitative and quantitative research 2.8 Discuss the nature and role of primary data including best practices to turn data into intelligence 2.9 Discuss the factors influencing the choice of survey methods and develop competencies when selecting fieldwork methods. 2.10 Explain the role of research in developing a communications plan 2.11 Contrast how applied research tools are used in public relations, e.g. interviews, focus groups, case studies, surveys and content analysis, can be used in the formative and evaluative research phases of communications planning
3. Explain revenue-cost-profit relationships, interpret financial reports, prepare forecasts and analyze operating activity reports	3.1 Discuss the costs and benefits of planning 3.2 Review and interpret financial operating results, cost accounting data, and operating statistics 3.3 Assess a company's financial condition and decide what proactive approaches to take 3.4 Assess and interpret trend analysis data 3.5 Review sales, production, and income statement and balance sheet forecasts 3.6 Explain the concepts of markups, markdowns, per unit product cost, wage costs, overhead costs, distribution costs 3.7 Apply financial and cost management skills

Learning Outcome	Objectives
4. Explain the role of an integrated marketing strategy in the development of a proper communications plan	4.1 Distinguish between consumer promotions and trade promotions 4.2 Describe the steps in the sales promotion planning process 4.3 Assess the role of consumer promotions in achieving specific marketing communications and marketing objectives 4.4 Assess the role of trade promotions in achieving specific marketing communications and marketing objectives 4.5 Outline the nature of various consumer promotion and trade promotion activities 4.6 Assess various criteria for integrating sales promotion strategies with other IMC strategies 4.7 Describe the role of personal selling in retail, business-to-business and direct selling environments and its relationship to integrated marketing communications
5. Examine the role of strategic human resource management.	5.1 Examine the relationship between the human resources function and other functional areas within the organization 5.2 Identify opportunities for organizational cross-functional initiatives 5.3 Identify the appropriate personnel to be involved in performance management processes 5.4 Examine compensation issues and their impacts 5.5 Describe health and safety issues in the workplace 5.6 Assess the role of training and development in an organization 5.7 Make recommendations to align the performance management program with the organization's strategic goals and direction 5.8 Develop strategies for recruitment and selection 5.9 Assess the role of training related to change management and organizational development
6. Develop a strategic communications plan.	6.1 Explain the four phases and nine steps of a public relations planning process 6.2 Consider how ethics play a role in and affect the development of communications plans 6.3 Identify and describe the differences between proactive and reactive communications planning strategies 6.4 Choose effective communication tactics that will complement the stated strategies 6.5 Assess and propose specific courses of action required to address a corporate communications issue

Learning Outcome	Objectives
	6.6 Prepare a strategic communications plan that clearly identifies the recommended goals, objectives, strategies, messaging, and tactical execution strategies 6.7 Describe and assess the impact of internal and external influences on the organization and the communications planning process
7. Explain how the different functional pieces of a business fit together	7.1 Discuss how and why decisions made in one area affect outcomes in other areas of a company 7.2 Identify the key criteria for keeping a company profitable 7.3 Understand and explain what affects return on equity investment 7.4 Describe how to increase the market value of a corporation's shares 7.5 Discuss and implement strategies to maximize shareholder wealth 7.6 Develop production strategies, supply chain logistics, and product distribution strategies

Essential Employability Skills

Communication

- communicate clearly in written, spoken, and visual form that fulfills purpose/needs of audience.
- respond to written, spoken, or visual messages in a manner that ensures effective communication.

Numeracy

- execute mathematical operations accurately.

Critical Thinking and Problem Solving

- apply a systematic approach to solve problems.
- use a variety of thinking skills to anticipate and solve problems.

Information Management

- locate, select, organize, and document information using appropriate technology and info systems.
- analyze, evaluate, and apply relevant information from a variety of sources.

Interpersonal

- show respect for the diverse opinions, values, belief systems, and contributions of others.
- interact with others in groups in ways that contribute to effective working relationships.

Personal

- manage the use of time and other resources to complete projects.
- take responsibility for one's own actions, decisions, and consequences.

Delivery Method

- Classroom: Course is delivered through scheduled synchronous teaching that may be face-to-face and/or virtual.
- Online: Course is fully delivered through asynchronous teaching.
- Hybrid: Course combines scheduled synchronous and unscheduled asynchronous teaching.
- HyFlex: Course includes both synchronous and asynchronous learning and the student can move between both components seamlessly.

Learning Activities

- Lectures
- Class Discussions
- Group Work
- Field Work
- Presentations
- Guest Speaker(s)
- Case Studies

Resources Required

Additional Supplies

Simulation Resource

The selection of the simulation product is at the discretion of the professor. Students will be purchased directly through the provider on their respective website site. Only one simulation will be used or selected. Suggestions:

1. New Shoes from Interpretive Simulations: <https://www.interpretive.com/business-simulations/newshoes/>
2. Marketing, Video Game, from Praxar <https://www.praxar.com/marketing>

Evaluation Plan

Grading Scheme

A	80% - 100%
B	70% - 79%
C	60% - 69%
D	50% - 59%
F	0% - 49%

Evaluation Method	Value (%)
Test/Exam	40%
2 to 4 tests as detailed and determined by the instructor which can include a final comprehensive exam (on all content of the course)	
Assignments	60%
Assignments can include interactive incidents reports, content assignments, oral presentations, case studies, and the development of a formal communications plan, professional conduct evaluations and peer evaluations. The instructor will determine the type and style of each assignment.	
The instructor will also determine the ratio of assignments that will be completed in groups or individually.	
Assignments can be related to the actual simulation, the simulation performance or geared towards the materials discussed during the lecture component of the course.	

ADDITIONAL INFORMATION

College

Modifications to the Course Evaluation Plan

Under exceptional circumstances, Cambrian reserves the right to alter the Course Evaluation Plan. Upon approval from the Dean, faculty members will notify students of any modification to the Course Evaluation Plan and post to the course Learning Management System site (Moodle).

Academic Policies

Students must adhere to all academic policies. These are available on myCambrian as well as the College website at <https://cambriancollege.ca/about/official-documents-and-policies/academic-policies/>.

Accessibility Services

Cambrian is committed to creating an inclusive learning environment where we support our students' success. Students who are registered with the Glen Crombie Centre can access accessibility and/or counselling services by:

1. Registering and scheduling an appointment through Clockwork in the Student Portal in myCambrian.
2. Contacting 705-566-8101 ext. 7420 or 7311, or
3. E-mailing accessibilityservices@cambriancollege.ca or Counselling@cambriancollege.ca

Attendance

Regular attendance is strongly encouraged as it contributes to student success. Some courses have specific lab/ participation requirements. Students are expected to be aware of, and adhere, to these requirements.

Audio/Visual Capture

Sounds and images from this class, and contributions made by a participant, virtually or in-person, are recorded under the authority of the Ontario Colleges of Applied Arts and Technology Act, 2002. The main purpose for these recordings is to allow students enrolled in this course, whether they attend the particular class in person, virtually, or at all, to review class content and activity. The use of class recordings is for personal use only and shall not be shared or transferred.

These recordings may also be reviewed by faculty members to prepare future classes, to evaluate students, to collaborate in program/course development/review, or to provide feedback to students or other faculty. Any questions about this collection may be addressed to your respective Dean.

Copyright

Students may not submit work or partake in activities that infringe on the Canadian Copyright Act, or the related Cambrian College Fair Dealing Guidelines and Copying Guidelines. The guidelines may be viewed at: <http://cambriancollege.libguides.com/copyrightinfo> or by contacting the Library for questions related to copyright: library@cambriancollege.ca

Wabnode Centre for Indigenous Services

Students are encouraged to come to Wabnode to meet our Elders and to access personal counselling and connect with academic tutoring. Our team is also able to provide students with information related to funding and scholarship and bursary opportunities for Indigenous students. We encourage students to come to Wabnode and find out about opportunities to share in cultural, sports and community activities. Students can also contact Wabnode at wabnode@cambriancollege.ca

Out-of-Class Assistance

The faculty will inform students of their Out-of-Class availability through the Learning Management System site (Moodle).

Prior Learning Assessment and Recognition (PLAR)

Students wishing to have work or life experience considered through Prior Learning Assessment and Recognition should contact pathways@cambriancollege.ca

Testing Practices at Cambrian

Many courses include major tests and/or final exams. The practice at Cambrian requires that these types of test situations involve proctoring to ensure academic integrity. Online tests/exams may employ a proctoring service to enable you to take your exam from a location of your choosing within a period specified by your instructor. When you are taking an online test/exam, the proctoring service may capture your video, screen, audio and web surfing particulars to protect academic integrity. Cambrian College collects, uses, discloses and retains personal information in compliance with the Freedom of Information and Protection of Privacy Act (FIPPA). Your personal information is being collected under the authority of the Ontario Colleges of Applied Arts and Technology Act S.O. 2002, c.8, Sched. F. This information will be used for the purpose of administering a test/exam through an online proctoring service acting as an authorized agent of the College. Please refer to Cambrian's Confidentiality of Student Records Policy for more details. If you have any questions regarding the collection of your personal information, please contact Vice President Academic, Cambrian College, 1400 Barrydowne Rd., Sudbury ON P3A 3V8, 1-705-566-8101.

Tests and Evaluations

Students are required to write tests and/or complete evaluations as scheduled. Exceptions may be made in the event of an emergency or a sanctioned event (e.g., varsity sports, field trip, religious observances, etc.). In non-emergency situations, students are expected to contact the faculty member in the event that they can not be present for a test/evaluation to explain the reason for their absence. At the discretion of the faculty member, an alternate time for the test/evaluation may be allowed.

Transfer Credit

Students wishing to have courses from other programs or institutions assessed for equivalency and/or transfer credit should contact transfercredits@cambriancollege.ca.

Equity, Diversity and Inclusivity

Cambrian is committed to building and preserving an equitable, diverse, and inclusive learning community where students, faculty, and staff may achieve their full potential in an environment characterized by equality of respect and opportunity. All students and employees have the right to live and work in an environment that is free from discrimination and harassment. Therefore, Cambrian College will not tolerate any form of discrimination or harassment in its employment, education, accommodation, or business dealings. For more information, please visit: <https://cambriancollege.ca/about/official-documents-and-policies/equity-human-rights-and-accessibility/>
